

## Sport Premium Overview

**“Working together in friendship and faith, learning for life”**

At St John the Baptist Primary School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people’s lives for the better. Children who are engaged and enthusiastic in sports from a young age is our aim, with the vision that they will continue this love of sport into their later lives.

We have welcomed the Government’s announcement in July 2017 to provide additional funding to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people, giving focus to the need to sustain physical fitness and the importance of health.

### Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as from the data from the Department of Education and Education Funding Agency, 2017. All schools with 16 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. Smaller schools will receive £1000 per pupil (less than 16 children)

<b>Total no of primary aged pupils between the ages of 5-11( September 2017)</b>	<b>472</b>
<b>Total amount of Sport Premium Grant received</b>	<b>£20,720</b>

# What does the Sport Premium mean for my School?

*'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).*

At St Johns Primary School we have split up the funding by the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:
