'How to keep your child safe online' – Follow up links and resources

Dear Parents and Carers,

Following our recent online safety presentation run by John Jefferies, a Subject Matter Expert (SME) NCCE Accredited Associate Facilitator for the STEM CPD Quality Mark, we have a bank of resources available that we would like to share with you to support you in keeping your child safe online.

Please access the link below that was kindly shared by John on the presentation;

<https://padlet.com/jjefferies/safe>

On this link you will find a range of helpful resources such as; how to guides, parenting magazine links, useful websites, ice breaker emails from the NSPCC, online safety activities aimed at parents of KS2 pupils to complete together, safe searching, mobile phone settings and both the KS1 and KS2 presentations from the zoom meeting.

If you have any further questions that you would like to ask John or myself please don't hesitate to email in your questions and we will answer them accordingly.

Kind Regards

Miss Birks
Computing Lead
